★ WHAT SHOULD I DO WITH MY CP?

Army Community Service Center Can Help You Plan!

The choice is yours and should be based on your current financial situation. Get a financial checkup as part of the decision-making process. You can do one or more of the following:

Pay Down Debt!

Do you have credit card debt, student loan debt, or other kinds of debt? Are you paying more in interest than you can expect from savings or investments? Pay as many debts as you can, starting with those that cost you the most in interest.

TIP *Adding extra money to payments makes for a quicker payoff.*

Save It!

Do you have an emergency or reserve fund in a savings or money market account? Set one up ...or top yours off.

TIP *Check the annual percentage rate (APR) and terms of agreement before placing money into any account.*

Invest It!

Are you looking toward a more prosperous future? Consider putting your CP to work in your Thrift Savings Plan (TSP) account, in an IRA or in a college savings plan.

TIP *Be aware of annual contribution limits on retirement accounts. Review your spending plan and talk to an investment professional before investing.*

Spend It!

Will your CP fund a vacation, a vehicle, a big project, or the down payment on a house?

TIP *Before you spend your CP, review your spending plan to ensure your savings goals are on track and your debt-to-income ratio is reasonable.*

Gift It!

You can choose to gift or donate some or all of your CP. Depending on where you donate it, you may be eligible for a tax deduction.

TIP *Review your spending plan to ensure your finances are in good order before you donate your CP.*
